

# CANADIAN ASSOCIATION OF FIRE INVESTIGATORS CHAPTER #006

## ***FIRE SCENE INVESTIGATIONS - SECURITY & SAFETY***

How do you safely access a scene, maintain continuity of evidence, and control access for authorised personnel? ... An investigation begins with determining the necessary action and preparations. This presentation will outline these necessary considerations for managing investigation of a fire scene.

- Speakers:**
- Scene Safety Procedures - Mike Potvin, **Ontario Fire Marshal's office**
  - Security & Continuity - Rob Garland, **ASAP Security**
  - Emergency Access to Unsafe Buildings – **HUSAR** (Heavy Urban Search & Rescue)
