Fire Origin and Cause II

September 28, 29 & 30th, 2011

8:40 a.m. - 4:30 p.m., includes continental breakfast and lunch

Calgary Fire Department Training Academy

5727 - 23 Ave. SE, Calgary, Alberta

Course Description

The Canadian Association of Fire Investigators is pleased to announce the presentation in Calgary, Alberta on September 28, 29 & 30th, 2011 - in conjunction with the Canadian Association of Fire Chiefs (CAFC) Fire/Rescue Conference 2011 - of the Justice Institute of British Columbia (JIBC) course **Fire Investigation - Fire Origin & Cause II (FPIN175)**. The Calgary Fire Department has graciously offered to host this course at their Training Academy.

In this 3 day, 1.5 credit course, learners will build on skills and knowledge developed in Fire Origin and Cause I (FPIN150). This course includes hands-on practical skills development associated with fire investigation as required by the NFPA 1033 standard. Learners will participate in a live burn and practice the organization and planning of a fire investigation, securing of a fire scene, and the preservation, collection, transportation and storage of evidence. They will also participate in a fire scene examination and prepare and present final investigation findings. This course is part two of a three-part course designed to meet the National Fire Protection Association (NFPA) 1033 standard and is certified by IFSAC and ProBoard.

Prerequisite

FPIN150 Fire Origin & Cause I (offered on-line, begins August 1, 2011) or equivalent.

Equivalent courses:

- Lakeland College - Fire Origin and Cause Determination Learning Objectives
- B.C. Office of the Fire Commissioner - LAFC: Introduction to Basic Fire Investigation
- Certified Fire Investigator (CFI program through IAAI)
- Certified Fire and Explosion Investigator (NAFI)

Students must qualify for CAFI membership and be employed by a Fire Department, Police/RCMP Department, insurance or investigation company where fire investigation is their primary responsibility.

Recommended Pre-Reading and Resource Materials

- *Fire Investigator*, First Edition, International Fire Service Training Association, 2000.
- *NFPA921: Guide for Fire & Explosion Investigations*, 2008 Edition, National Fire Protection Association.

Course Fee: \$971.25 (\$925.00 + 5% GST)
